# Past Event Report

## About Past Event:

### Global Healthcare Conference 2023

Scientex Conferences has successfully completed its first series of "International Conference on Global Healthcare" from **May 22-23, 2023 in Dubai, UAE**. With the great support of Healthcare Specialist, Doctors, Industrialists, Young Scientists as well as students and corporate delegates related to the Healthcare worldwide scholars to share their experiences and research results about all aspects of Global Healthcare.

Scientex Conferences also took the privilege of felicitating and gratitude of Global Healthcare 2023 organizing committee, keynote speakers, plenary speakers, chairs and co-chairs, young researchers, moderator and other attendees whose support made the conference a great success.

We once again thank all the participants for their wonderful participation towards the event which helped us for effective accomplishment of this event. With a great response and feedback which we have received from the participants and supporters of Global Healthcare 2023, we are proud to announce our upcoming conferences in the series "**2<sup>nd</sup> World Congress on Global Healthcare**" during **May 13-14, 2024 in Bangkok, Thailand**. With the theme of "*To explore the advancement and emerging techniques in Healthcare*" which included sessions on latest and informative programme packed full with renowned scientific speakers, expert panels, concurrent and poster session.

### Global Healthcare Webinar 2023

Scientex Conferences successfully hosted its first series on the "**International Webinar on Global Healthcare**" on **May 29-30, 2023** as per the time zone GMT+4. The webinar was organized with a theme focused on "To explore the advancement and emerging techniques in Healthcare" and it was a great success where eminent keynote speakers from various universities addressed the gathering.

With the grand success of Global Healthcare 2023, we are glad to announce our next upcoming conference "**2<sup>nd</sup> International Webinar on Global Healthcare**" which has been scheduled during **May 22-23, 2024** at GMT+7 time zone.

## PAST CONFERENCE GALLERY

# Speaker Presentations

2<sup>nd</sup> International Webinar on Global Healthcare  
MAY 22-23, 2024 | GMT+7 (THAILAND TIME)

Title: Intimate partner violence education: Effect on knowledge of first year medical residents

**Grace Brannan**, McLaren Macomb Hospital, Michigan State University, USA

Title: A review on cost analysis of patients undergoing haemodialysis and the need for mobile dialysis facilities to cut down burden of indirect cost

**Manjula MJ**, Rajarajeswari Medical College, India

Title: Survival analysis of lung cancer patients in Brunei Darussalam

**Jia En Kong**, Universiti Brunei Darussalam, UK

Title: Ayurvedic timeless wisdom of healthy growth and development of progeny (unlocking the genetic code of Garbha Shareera)

**Uma B Gopal**, SDM College of Ayurveda & Hospital, India

Title: Effect of peptide complex PP-U-013 (Nephropept) on chronic kidney disease

**Korzhova Ksenia Vitalievna; Starosel'skaya Marina Anatolievna; Kazharskaya Ekaterina Yurievna**, PeptidPRO LLC, Russian Federation

Title: Prevalence of otomycosis in patients with cerumen impaction due to earphone usage during COVID-19

**Sunethra Suresh**, Western Sydney University, Malaysia

Title: The Innovations in 3D-Printed phantom design for PET-CT nuclear imaging

**Muhammad Hafiz Hanafi**, University of Putra Malaysia, Malaysia

Title: Is It time to implement a self-customized protocol of doing live donor renal transplantation during COVID-19 pandemic? A high-volume center-based study in Bangladesh

**Towhid Belal**, Dhaka Medical College and Hospital, Bangladesh

Title: Enablers and barriers of digitalisation impacting the innovation life cycle of primary health organisations specifically General Practices Medical Centres during a Pandemic: A New Zealand study

**Nargis Mashal**, University of Canterbury, New Zealand

Title: The role of chest radiography as a preliminary diagnostic indicator for COVID-19 infection

**Wint Nwe Hlaing**, West Yangon General Hospital, Myanmar

# Speaker Presentations

**Title:** Tissue expression of galectin-1 gene in hepatocellular carcinoma Myanmar patients

**Aung Aung Oo**, Royal College of Pathologists, Myanmar

**Title:** Trust in physician among patients with type 2 diabetes mellitus in Luyang Health Clinic, Sabah, Malaysia and its Association with treatment adherence and glycaemic control

**Flecia Kundayis**, Lohan Health Clinic, Malaysia

**Title:** Knowledge and experience concerning COVID-19 preventive measures at the facility quarantine centers in Magway Region, Myanmar

**Khin Cho Aye**, University of Community Health, Myanmar

**Title:** Usefulness of pleural fluid ferritin in differentiation of malignant and non-malignant pleural effusion

**Zar Phyu Win**, Myanmar

**Title:** Crawling Towards Answers: Unraveling a rare case in a 10-month-old

**Pyae Pyae Thu**, General Paediatric Advanced Trainee, Australia

**"Title:** Sinus Tachycardia without identifiable cause is not always anxiety: Inappropriate Sinus Tachycardia"

**Kyaw Zaya**, University of Plymouth NHS Trust, UK

**Title:** Scrub typhus: Common but Neglected

**Tay Zar Tun Myint**, Singapore

**Title:** Factors Influencing Choice of Root Canal Treatment by Patients Presenting With Non-vital Teeth in a Tertiary Health Facility in the South-South, Nigeria

**Harrison Omokhua**, University of Benin, Nigeria

**Title:** Synergistic antibacterial potentials of ocimum gratissimum, honey and ciprofloxacin against some multiple antibiotic-resistant bacteria isolated from stool samples

**Oluwatoyosi Ezekiel OLAWALE**, Federal University of Technology, Nigeria

**Title:** Early Arthritis: How early and How to Approach

**Khin Thuzar Wynn**, Myanmar

**Title:** Chin imperfections: our experience with botulinum toxin A

**Andrea Pio Cascino**, Italy

# Speaker Presentations
